

Bring the Cleansing Power of the Sun to Your Desktop

The Second-Generation
(Gen 2) MySpace™

Introducing the next-generation MySpace™ desktop air and surface purifier from OHAir®

Protect against pathogens and improve indoor air quality with safe and effective technology that mimics the way sunlight sanitizes our outdoor environment.

- Kills 99.99% of airborne pathogens
- Kills pathogens on surfaces
- Treats up to 500 square feet
- Quiet and discreet
- 13" x 4.5" x 11.5"(LxWxH)
- Available in black or white

POWERED BY
PYURE TECHNOLOGY™

The **Gen 2 MySpace™** protects against pathogens and improves indoor air quality using the same PYURE Technology as the Odorox® line of commercial air purifiers.

The Gen 2 MySpace™
